

Invitation for Bid (IFB) #14-005

Miscellaneous Bridge Painting

SUMMARY

BACKGROUND: Frederick County is home to many historic bridges and these architectural and functional structures are maintained as part of our heritage as well as a vital link in the local transportation network.

STATEMENT OF WORK: Frederick County, Maryland (hereinafter called the “County”) is seeking bids from qualified Contractors (hereinafter called the “Contractor”) for the provision of miscellaneous bridge painting in accordance with the terms, conditions and specification of this solicitation. The required work includes the cleaning and repainting of one (1) and up to five (5) existing County-owned steel truss bridges and disposal of any related waste. The primary intent of the project is to protect steel surfaces from corrosion for a minimum 20 year period and to perform all work according to environmental, health and safety regulations.
